

Europa-Park Resort Information

Food Allergies and Intolerances

Here at Europa-Park, we want your stay with us to be as relaxed as possible. Our wide range of food outlets can cater for any special dietary requirements. Below are some examples from our menus.

The following dishes are lactose and gluten free:

★ Restaurant Spices – ‘Cuisines of the World’ in the Adventure Land

Enjoy exotic dishes from different continents. Please speak to Restaurant Spices staff who will be happy to advise you.

★ Fjord Restaurant in the Scandinavian themed area

- Fried chicken breast with gluten free pasta and three varieties of carrots
- Nordic Flair - Norwegian salmon fillet with vegetables, new potatoes, and parsley*

★ Petite France restaurant in the French themed area

- Fresh seasonal crudités from the buffet *
- Qualivo pork steak with French fries *

★ Seehaus Restaurant in the Austrian themed area

- Fresh salads and starters
- Half-chicken with French fries

★ Pizzeria La Venezia in the Italian themed area / Mille Fleur restaurant in the French themed area

- Fried salmon fillet with gluten free pasta and a lime sauce *
- Gluten free pasta with sauce
- Gluten free Margherita and Verdure pizzas

★ Balthasar Castle Restaurant

- Oyster mushrooms, with avocado and cashew  noodles and vegetables

If you suffer from any other food allergy or intolerance, please speak to Balthasar Castle Restaurant staff who will be happy to advise you.

Our restaurant staff can provide you with more information about allergen ingredients in our restaurant kitchens.

Please note, there may be changes to restaurant opening times and menus during Halloween and the Winter season.

*We prepare these dishes individually. Please notify the restaurant manager before ordering.

Information on Food Allergies and Intolerances for Guests of the Europa-Park Hotels
