CAMP RESORT

TEPEES, LOG CABINS, COVERED WAGONS

SLEEPING OUTDOORS + WILD WEST FEELING
= A GREAT ADVENTURE HOLIDAY

Follow the call of the wild! At the “Camp Resort” you can feel like you’re back in the Wild West. Past the totem pole, wooden signs point the way to your tepee. Genuine cowboys choose a log cabin or covered wagon. Just a lasso throw away from Europa-Park, families, school classes and leisure groups can pitch camp and enjoy a real Western feeling; be it swimming in the lake, a BBQ at the “Silver Lake Saloon”, or a get-together around the campfire under the stars. There are 200 sites in our camping area for those who prefer to experience the freedom of the outdoors in their own mobile home or caravan. There is a separate washroom, ample power outlets, freshwater and disposal stations.

You can sleep at the Camp Resort in log cabins, tepees and covered wagons, including the romantic WINNETOU HONEYMOON SUITE with bearskin and electric campfire.

SITTING FIRM

IN COMPANY WITH COWBOYS AND INDIANS

IN THE NATURAL SURROUNDINGS OF THE CAMP RESORT

In his novels, Karl May described the adventures of Indian chief Winnetou and his blood brother, the Old Shatterhand. Children and adults devoured his stories – and no doubt dreamed up adventures of their own in the Wild West. At the Camp Resort these dreams come true. You can sleep in log cabins, tepees, covered wagons or in your own mobile home and experience wilderness, adventure and freedom! How about a campfire under the open skies? We will provide you with a site and with firewood – and we can also deliver steaks, sausages or salads as requested.

The next day, when the prairie sun is burning again, you can go to the natural lake surrounded by an extensive sunbathing area. For the more energetic ones tennis courts, badminton and beach volleyball fields are waiting for you, as well as bull riding. Action packed Native American shows are also staged on selected dates during the high season. And children and the young at heart can experience a veritable gold rush at our gold-panning site (for a fee).

There are plenty of experiences around the camp for groups, school classes and clubs. For example the Taubergiessen nature reserve on the southern upper Rhine, a bike tour through the Rhine wetlands, Freiburg, Strasbourg and the Black Forest. So saddle up and off you go!

COVERED WAGONS

Wild West to order

There are thirteen covered wagons for cowboys to sleep in, with room for up to four adventure-loving occupants. The horses have already been unharnessed. All wagons have two bunk beds and a cupboard for a small amount of luggage. Two of the wagons have a wooden roof instead of canvas. Heating, light and power are provided; remember to bring a sleeping bag and towel.

TEPEE

Indian camp with electricity

The tepees at the Camp Resort will quickly make you feel like a real Indian. Available in different sizes, they can accommodate from four to 12 people. The mattresses have fitted sheets and there is also a small pillow. Don't forget to pack your sleeping bag and towels in your saddlebag. The tepees are heated and have a power outlet and electric light, and there are modern sanitary facilities in a separate building.

LOG CABINS

Rustic Romance

There are eight cosy heated log cabins on the shores of the lake. The logs are piled up to rooms of different sizes: for four, six, twelve or sixteen occupants, not to mention the "Winnetou's Honeymoon Suite". Don't forget your sleeping bag and towel; fitted sheets and a small pillow are provided. And for all the outdoor feel, you can still enjoy the convenience of electric lighting!

CARAVANING & CAMPING

Freedom on Wheels

Those who prefer to sleep in their own four walls can camp on one of the 200 sites for caravans and mobile homes. Just five minutes' walk from Europa-Park, the site has modern sanitary facilities, a Western kiosk with bread roll delivery service, water and power outlets, tennis courts, a children's playground and an idyllic natural lake to swim in.

WILD WEST THE MODERN WAY

HEARTY COWBOY CHOW

RIB-EYE STEAKS, BURGERS, PORK AND BEANS

Outdoor living is the best way to work up an appetite. You'll want something hearty and tasty – prepared with panache.

AMIGOS CANTINA:
The self-service restaurant offers snacks and hearty meals – everything that a camper could desire.

SILVER LAKE SALOON:
The place to go for a burger in the evening or a country brunch on Sundays with a lasso show and live music.

CAMPFIRE:
The Camp Resort has romantic barbecue areas with firewood provided as well.

OUTDOOR TERRACE:
The perfect way to round off an eventful day, an evening on the terrace of the "Silver Lake Saloon".

What about a hot chilli con carne or cream of corn and bacon soup to start with? Then there are burgers – from bacon and cheese to XXL and vegetarian – or a juicy rib-eye steak with steakhouse fries. The menu would not be complete without salmon and turkey, grilled pork steaks with bacon and beans or beef with prawns. Young chiefs might like to try out the crispy chicken wings or a baked potato with sour cream.

Cooking your own food around a campfire is always the tastiest option. You can book a delicious grill package online; we would be glad to take your meat, sausage and salad orders up to two days before your arrival.

On Sundays you can enjoy a country brunch with blueberry pancakes and maple syrup together with live music and a lasso show.

There's one thing you can be sure of at the Silver Lake Saloon - no tired Western grub, but classic North American cuisine with a modern touch.
