COLOSSEO

COLOSSEO 4-STAR SUPERIOR THEMED HOTEL

ROMAN-ITALIAN ARCHITECTURE
+ MEDITERRANEAN PLEASURES
= DOLCA VITA

How about a short break in Bella Italia? The piazza is lined with the restaurants “Antica Roma”, “Cesare” and “Medici” – all with light Mediterranean menus. Guests can sit nearby under a colourful sunshade and enjoy gelati, prosecco or “Spritz Aperol”. In the centre of the piazza children can play and cool off in the delicate spray of the fountains. This is truly “La dolce vita”. Before your evening meal, why not take a dip in the pool or enjoy a Roman sweat bath? As soon as the stars come out, you can stroll hand-in-hand past the illuminated Coliseum arch before admiring the romantic water show. The themed hotel “Colosseo” has many joyful moments “alla italiana” ready for you.

AN ITALIAN DREAM

WELCOME TO
THE DOLCE VITA

RELIVE THE ATMOSPHERE OF ANCIENT ROME
AT THE “COLOSSEO”

Are warm rays of sunshine warming your skin? Is the foam of a cappuccino tickling your upper lip? Do you feel carried away by the fragrance of the sun and pistachio ice cream? Then peer over the top of your sunglasses and check where you are: in the heart of the Italian dolce vita!

As you enter the hotel you will be impressed by the IMPOSING COLUMNED LOBBY, which leads off to the rooms and suites. A Roman portico exuding modern elegance and a ceiling fresco that could have been painted by Michelangelo in person.

After a light breakfast on “Piazza Roma” you can stroll along the corso and admire the architecture of Rome. Fountains, arches and balustrades, splendour, pomp and finery. Are you ready for a break? Then rest your weary legs the Roman way and relax in the Venus steam bath, purge yourself in the Roman sweat baths or enjoy a beauty treatment and discover Cleopatra’s secrets. Round off with a few lengths in the pool at the foot of the Coliseum arch to tone your muscles.

With the fragrance of herbs in your nose, you will no doubt have worked up an appetite for la cucina italiana! Non c’è problema. You only need to pick the right restaurant. The dishes everywhere are deliciously Italian. Promesso!

The best news are yet to come! You don’t even have to travel to Rome. All these relaxing experiences are offered by the hotel “Colosseo”. An Italian dream on your doorstep.

POOL AND SAUNA:
Swim from the heart of the spa area under the Coliseum arch to the 25-metre long outdoor pool. After you've done your lengths you can try out the Venus steam bath and "Pompeii" Roman sauna in the cool of the evening.

ANCIENT ROMAN WELLNESS

VENUS'S SECRET OF INDULGENCE

POOL, SAUNA, SPA AND MESSAGES

Venus was the Roman goddess of love and beauty. Her charm was admired in many ways. For the painters of the Renaissance the mythological Venus was a popular motive for nude paintings. Even a day of the week – venerdì in Italian – is named after her.

This doesn't mean, of course, that you can only indulge in beauty treatments on Fridays. The Wellness & Spa "Colosseo" offers supreme indulgence every day of the week. We find inspiration in Venus's beauty tips, for instance with the rose symphony for the face, neck and décolleté, the nurturing Barrique Wine bath or the Roman Spa package for sleek, silky skin.

We also offer an all-round relaxation package for all requirements: soothing hot-stone massages, aromas and cocoa butter, medical wellness and lymph drainage, medical massages, thalasso therapy for face and body, bath therapies alone or with a partner, Ayurveda for deep relaxation and to energize as well as beauty treatments for all problem areas.

Finally you can tone your body with a few lengths in the pool or sessions in the steam bath and sauna. The ancient Romans already knew of the positive effects of steam heat. You can also join the organised Nordic walking tours through the idyllic Rhine valley. Sport and sweating is healthy and will keep you looking your best. So you are sure to turn heads as you stroll across the piazza in the evening.

AN EVENING *as in* ANCIENT ROME

There are five restaurants surrounding the “Colosseo” piazza in which you can indulge your taste buds; the “Antica Roma” buffet restaurant, “Medici” and “Cesare” à la carte restaurants, “Colosseo” panorama bar and “Commedia dell’Arte” café. Guests who stay with us longer can try out all of them to their heart’s content.

“ANTICA ROMA”:

As it gradually gets cooler outside, the fire in the stone chimney with laurel wreath, torches and candlelight looks highly inviting, creating a welcoming atmosphere in which Caesar and Cleopatra themselves would not look out of place.

BUON APPETITO!

FEASTING AS IN BELLA ITALIA

POMODORI, PANNA COTTA AND MORE

BAR “COLOSSEO” AND CAFÉ “COMMEDIA DELL’ARTE”:

The bar on the fifth floor has a large selection of spirits and cocktails, while the café on the piazza offers delicious espresso and gelati.

The words on the Italian menu are already mouth-watering enough. Crema di pomodoro sounds and tastes much more exciting than for example tomato soup! How about a deliciously fine zuppa di pesce or fish soup? Not to mention the fresh and healthy antipasti and pasta, prepared with the best olive oil, crisp vegetables and fragrant herbs. And, of course, seafood, fish and meat served to perfection. To round off, there is panna cotta, tiramisu and a cappuccino, or tangy cheese platter. Buona, la cucina italiana!

BUFFET RESTAURANT “ANTICA ROMA”:

At the “Antica Roma” you can dine like the Romans with a warm and cold gourmet buffet featuring Italian and international cuisine.

You can choose between the buffet restaurant “Antica Roma” with its warm and cold gourmet buffet, and the à la carte restaurants “Medici” and “Cesare”, where your favourite dish is prepared with the best ingredients. Pizza, pasta or pesce – Italian cuisine has something for everyone!

À LA CARTE RESTAURANTS “MEDICI” AND “CESARE”:

Guests at the stylish “Medici” can enjoy a romantic and delicious dinner in soft light. Only the best ingredients from the garden, kitchen or cellar are served at the Cesare, accompanied by a selection of choice Italian or international wines.

Finally, you can round off the day with an espresso and ice cream in the panoramic fifthfloor hotel bar or outside on the piazza as you enjoy romantic moments watching a sparkling water show. For special occasions there is also the tastefully rustic wine cellar “Enoteca di Siena”. Feeling hungry?
